

Job Posting

JOB REFERENCE # 22061AR

POSITION: Junior Environmental Consultant

LOCATION: Edmonton or Calgary, AB

STATUS: Full-time

THE COMPANY:

Established in 2002, Ecoventure Inc. is a leading environmental consulting company focused on providing Canada's Oil and Gas, commercial and industrial, developers, and government clients with unparalleled service. We pride ourselves on providing common-sense solutions to complex technical problems, from pre-disturbance planning and environmental monitoring to decommissioning, remediation, and reclamation. Ecoventure is committed to safety, professional excellence, technical quality, and client satisfaction in everything we do.

POSITION SUMMARY:

This role provides opportunities to assist with the reclamation group's leadership and involvement with remediation and monitoring projects for oil and gas facilities, landfills, industrial land and defence sites. Technical, organizational, and leadership skills are key considerations for this position. The project work is centred mainly in Alberta, and the position will require some travel to remote work sites.

The selected candidate will be instrumental in executing Ecoventure's project delivery system to achieve the following project delivery strategic objectives: health and safety, client expectations for quality, schedule and budget; financial performance for project-specific targets, operational performance, and business unit expectations; and quality.

The successful candidate will be responsible for providing support in the following area:

Participate in Assessment & Remediation and Conservation & Reclamation projects, including:

- Phase 2 Environmental Site Assessments (ESAs)
- Groundwater Monitoring
- Tier 2 and Site-Specific Risk Assessments
- Soil Monitoring and Management Programs
- Spill Response, Assessment and Remediation
- Remedial Action Plans
- Liability Assessments
- Prepare Associated reports for senior review
- Complete Phase 1 ESA site inspections and prepare associated reports as needed
- Vegetation assessment and management programs
- Detailed Site Assessment and Reclamation Certificate Applications
- Complete surface reclamation projects
- Participate in Ecoventure's on-the-job training and mentorship programs

This position will provide the successful candidate with the opportunity to work with a diverse and experienced team. The role offers involvement in all aspects of projects from start to finish.

Qualifications:

The successful candidate should possess the following competencies and experience:

- Post-secondary education (degree or diploma) in natural resource management or environmental sciences.
- Currently working towards a professional designation as P.Ag, P.Biol., P.Chem, P.Eng. or R.T.Ag.

- 1-2 + years of practical experience in the execution of reclamation in the oil and gas industry in Canada.
- Must have proficiency in soil classification, soil mapping, and soil monitoring/handling during construction operations.
- Strong vegetation identification skills and understanding of vegetation establishment, control methods and prescription/implementation.
- Willing to participate in extensive fieldwork programs throughout the summer, including weekends and holidays.
- Excellent organizational, analytical, and problem-solving skills, interpersonal skills, leadership skills, and conflict management skills, as well as assisting in coordinating, analyzing, and synthesizing information to develop innovative solutions to problems, working with people and advising others.
- Strong understanding of computer programs such as Microsoft Office, Adobe Acrobat, and GIS Software.
- Excellent attention to detail and strong critical thinking skills
- H2S, First Aid and CPR, WHMIS, Ground Disturbance Level II, ATV Training, and a clean driving record are required for this position.

APPLICATION:

We value people, ethics, integrity and honesty, professionalism, innovation, quality, technical excellence, teamwork, recognition of individual contributions, sustainability, and a satisfying and fun workplace.

We are committed to employment equality and encourage applications from all qualified career seekers. Interested and qualified applicants should submit a Cover Letter, Resume and References to the contact below. Please ensure all applications are concise and highlight qualifications as related to the responsibilities above. Please quote the job reference number above in all communication.

Thank you very much for your time and consideration in providing your resume to Ecoventure; however, only the prospective candidates will be contacted for an interview.

APPLICATION DEADLINE:

The application deadline for consideration is June 30, 2022
