

Job Posting

JOB REFERENCE # 23074AR

POSITION: Junior Environmental Consultant

LOCATION: Edmonton or Calgary, AB

STATUS: Full-time; Hybrid office/remote

THE COMPANY:

Established in 2002, Ecoventure Inc. is a growing environmental consulting company focused on providing clients with unparalleled service. Our diverse team takes pride in providing common-sense solutions to complex technical problems. We are committed to safety, professional excellence, technical quality, and client satisfaction in everything we do.

POSITION SUMMARY:

This **Junior Environmental Consultant** role in our Calgary or Edmonton Office role provides opportunities to assist with the assessment and remediation group's leadership and involvement with remediation and monitoring projects for oil and gas facilities, landfills, industrial land and defence sites. Organizational and communication skills are key considerations for this position with technical on the job training provided. The project work is centred mainly in Alberta, and the position will require some travel to remote work sites.

The selected candidate will be instrumental in executing Ecoventure's project delivery system to achieve the following project delivery strategic objectives: health and safety, client expectations for quality, schedule and budget; financial performance for project-specific targets, operational performance, and business unit expectations; and quality.

The successful candidate will be responsible for providing support in the following area:

Participate in Assessment & Remediation and Conservation & Reclamation projects, including:

- Phase 2 Environmental Site Assessments (ESAs)
- Groundwater Monitoring
- Tier 2 and Site-Specific Risk Assessments
- Soil Monitoring and Management Programs
- Spill Response, Assessment and Remediation
- Remedial Action Plans
- Liability Assessments
- Preparation of associated reports for senior review
- Phase 1 ESA site inspections and associated reports
- Vegetation assessment and management programs
- Detailed Site Assessment and Reclamation Certificate Applications
- Surface reclamation
- Participate in Ecoventure's on-the-job training and mentorship programs

This position will provide the successful candidate with the opportunity to work with a diverse and experienced team. The role offers involvement in all aspects of projects from start to finish.

Qualifications:

The successful candidate should possess the following competencies and experience:

- Post-secondary education (degree or diploma) in natural resource management or environmental sciences
- Currently working towards a professional designation as P.Ag, P.Biol., P.Chem, P.Eng. or R.T.Ag
- 1-2+years of practical experience in environmental site assessment, remediation, and/or reclamation in the oil and gas industry
- Understanding of oil and gas life cycle and environmental regulatory requirements in Alberta

- Excellent organizational, analytical, and problem-solving skills, interpersonal skills, leadership skills, and conflict management skills
- Experience and understanding of the field work required and ability to work in remote environments
- Excellent organizational, analytical, and problem-solving skills, interpersonal skills, leadership skills, and conflict management skills, as well as assisting in coordinating, analyzing, and synthesizing information to develop innovative solutions to problems, working with people and advising others
- Excellent attention to detail and strong critical thinking skills
- Strong understanding of computer programs such as Microsoft Office and Adobe Acrobat
- Current safety, H2S, First AID, CSO, Ground Disturbance Level II, ATV Training, and clean driving record are all assets

APPLICATION:

We value people, ethics, integrity and honesty, professionalism, innovation, quality, technical excellence, teamwork, recognition of individual contributions, sustainability, and a satisfying and fun workplace.

We are committed to employment equality and encourage applications from all qualified career seekers. Interested and qualified applicants should submit a Cover Letter, Resume and References to the contact below. Please ensure all applications are concise and highlight qualifications as related to the responsibilities above. Please quote the job reference number above in all communication.

Thank you very much for your time and consideration in providing your resume to Ecoventure; however, only the prospective candidates will be contacted for an interview.

APPLICATION DEADLINE:

The application deadline for consideration July 28, 2023.
